Parent/Guardian Release Form

Minor Policy for Custom Body Wellness Massages

Custom Body Wellness offers massage for minors under the age of 15 with the consent of a parent or a guardian. For these minors, CBW **requires** a parent/guardian to be present in the room for the session. Having a parent/guardian present increases our transparency and can put client and parent/guardian at ease. This can also help increase the communication between client/parent and therapist.

For minors ages 16-17, CBW requires a parental/guardian release form: parent is encouraged to be present, not *required*.

I give my son or daughter permission to receive massage from a Custom Body Wellness massage therapist. I understand that the Custom Body Wellness Massage Therapist will not be liable for any injuries or loss sustained to my son or daughter.
